

YOU'RE INVITED
A Book Reading & Signing

An Afternoon with the Author

featuring local author
Gideon Paull

ABOUT THE AUTHOR

For thirty years, Gideon Paull has solved hard problems in engineering and systems design — but he has always been a writer, too. His books range from stories of love, life, and the people who show up in it, to searching questions about humanity, the soul, soul mates, death, and faith — all drawn by a single curiosity: how it all fits together.

Sunday, September 20
